HAIR & BEAUTY AUSTRALIA – REGIONAL TOUR

IN 2012 THE LAWS ARE CHANGING ...

IS YOUR SALON READY?

The New Year will bring with it a number of changes to laws that will have an impact on your Salon.

The ACT, NSW & QLD will be regulated by the new **Workplace Health and Safety Act** which will change your responsibilities as an Employer, with new penalties for non compliance including criminal convictions so it is essential that you know your obligations!

There have also been a number of changes made to the **Fair Work Act and Modern Award** that your business may not yet be aware of which will need to be addressed and updated as we move through the transitional phases.

This **two hour seminar breaks down all of the technical jargon to offer you a practical guide** as a Salon Owner in order to make sure your business is compliant in all areas of employing your staff.

As the Fair Work Ombudsman's Industry Liaison Officers, the team of advisors at Hair and Beauty Australia specialise in providing answers and solutions to all of your questions with regard to managing your staff and their entitlements.

This Seminar is a unique opportunity not to be missed. Book NOW to secure your place by returning the attached registration form!
